

Cinderella

October 26, 2023

We called her Cindy most often. She was a spitfire and remained a puppy in action all of her 17-1/2 years. She adored her older sister Buffy and doted on her constantly. She was smart, so very gentle, a real talker and a "dancer". She was precious to me and my Buffy and my extended family. She will be forever remembered and missed and loved. My souldog along with our Buffy. The Three Musketeers!
