

Mookie

September 6, 2005 - August 10, 2023

Mookie, born September 6, 2005, passed away peacefully at home on August 10, 2023, just weeks short of her 18th Birthday. She leaves behind her Mama- Annie; MomMom- Josephine; Chihuahua Brother- Beaner; Ferret Siblings- Bando & Flower; Uncles- Ed and Nic; Auntie- Nicole. Mookie was greeted in Heaven by many dog siblings & human loved ones. Mookie's veterinarian, Dr. Amy Parkman, was also a big part of her life.

Mookie lived an amazing 18 (almost) years; She was so full of perfection and unconditional love. Even with her tiny size, Mookie's heart was larger than life. She loved all people, even children, and most other dogs her size too.

Mookie's favorite thing in life was spending time with Annie, Beaner, and her MomMom. Whether it be traveling with Annie, hiking on a trail, walking around the neighborhood, or just being snuggled up with one of her humans, Mookie was all about it. She also loved her home cooked meals especially chicken, wearing cute outfits, belly rubs, and she soaked up every bit of attention.

Mookie was her Mama (Annie)'s everything, her rock. While there will always be a void left in Annie's heart by Mookie's passing, she carries with her so much gratitude for every moment, memory, and every bit of love given by her "baby girl".

In Honor and Memory of Mookie, please hug your fur-babies. For them- Take all the pictures, do all the things, have all the fun, be extra, and give all the love. Time will pass in the blink of an eye.

“For you are the stars to me. You are the light I follow. I will see you again; this is not where it ends. I will carry you with me, 'til I see you again” –Carrie Underwood

“ Dear sweet Mookie! You have been the light in your mommy’s life for 18 years. You were her smile, her laugh, her joy, her everything. You gave her those much needed kisses when you knew she needed them because you knew her, & her heart, and loved her so much & didn’t want to see her sad during those trying times life can throw at us sometimes, and I think you knew those kisses would make any day brighter for her. You gave her 100% unconditional love that she will carry in her heart forever. Please watch over your mommy and send her signs to comfort her and let her know she will be ok, and that you are ok playing in the clouds with some new friends. You will be missed beyond words. I wish I got to know you more than I did, but your mom loved showing all of us photos of you & all of your adventures that made me smile every time I saw your little face. Rest easy sweet girl & know you will be loved forever. ❤️

Love,

Darlene, Lars, & Baxie
